This brand new Riptide home with stunning setting and finishes is move-in ready! This home site could not be any prettier, lined by majestic oak trees along the front with generous space on each side and golf fairway views from the rear. Both the exterior and interior boast a modern, coastal craftsman style that is quite attractive. Trim detail in the main area of the home includes wainscoting in the foyer and dining area, a vaulted ceiling in the living room with faux beams, 36" ventless gas fireplace surround with shiplap and built-ins on both sides. The telescoping sliding glass doors to the porch add to the open and airy feel of this home. High-end laminate flooring adorns

the living, dining and kitchen areas, with tile in laundry and bathrooms and carpet in bedrooms. The gourmet kitchen includes soft-close cabinetry, a large island, quartz counters, stainless steel apron sink, and under-cabinet lighting. You will love the LG appliance suite, consisting of a wall/micro-wave oven combo, 5 burner gas cooktop, dishwasher, and vented hood. The primary suite is your retreat at the end of the day, with its luxurious spa-like feel. Features include a tray ceiling with rope lighting, walk-in closet with melamine shelving, dual sink vanity with additional make-up vanity, zero-entry tiled shower with LED lit wall niche, and a freestanding soaking tub.

Imagine yourself enjoying mornings and evenings on your graciously sized, tiled, screened porch with enlarged patio, watching the wildlife and the golfers pass by. Have guests visiting? No problem! They can have the bonus room with its own bathroom as their private quarters, which contains a closet and additional walk-in storage. Exterior features of this home include James Hardie siding with stone accents, lush landscaping, and zoned irrigation with drip lines. Other desirable features of this home include a zoned HVAC system, tankless propane water heater, termite bond, and comprehensive warranty plan.
